As featured in the Writer's Digest Book
Photographer's Market 2001

Hand Coloring Black & White Photographs

Learn the fine art of applying color to black and white photographs during this hands-on workshop. You will be taught to hand color your photographs using Marshall's Photo Oils and colored pencils. This is an exciting way to personalize your work. No prior painting experience is necessary. Painting materials will be provided. You will need to bring your own photographic prints. Paper types and a complete materials list will be available upon registration. This workshop will cover a brief history of the medium and various artists' styles.

Karen has been hand coloring photographs for 20+ years and has taught numerous workshops for the Marshall Oils Company. She will assist you in gaining the creative confidence to be successful with this medium. Karen's work is featured in the book, *The Marshall's Handcoloring Guide & Gallery*, by Grace & George Schaub. Her hand colored photographs are widely collected.

Steamboat Springs, CO: Saturday-Sunday, June 4-5, 2005 Fee: \$250
(Mastercard and Visa welcome)

"Karen Schulman has the ability to provide strong technical information and artistic inspiration at the same time. Her courses are a complete education for the mind and soul."

Frank Varney
Photography Chair, School of Visual Arts
Art Institute of Colorado
